

## STAIR CONVERSION KIT

This kit will allow you to make current ultra stair a free standing stair

Part Number : 0106-451  
List price : \$90.00

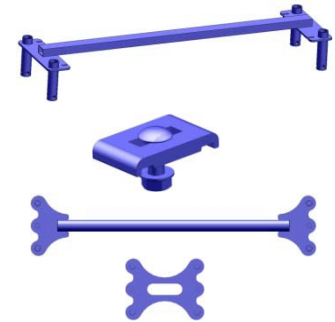

The Bil-Jax manufactured Ultra Stairs are made to work with our portable staging systems like ST 8100 or AS 2100. This Stair conversion kit will let you convert the ultra stair in to a free standing stair.

### FREE STANDING ULTRA STAIR

#### PARTS IN THE KIT

- |    |            |                             |        |
|----|------------|-----------------------------|--------|
| 1. | 0106-449   | Mounting bracket            | Qty:-1 |
| 2. | 0068-331   | Hardware package            | Qty:-4 |
| 3. | 0106-02-01 | Horizontal brace 36" long   | Qty:-2 |
| 4. | 0106-02-02 | Horizontal brace 8.25" long | Qty:-2 |

#### Step-01

Attach the mounting bracket (0106-449) onto the bottom side of the top step by using the hardware package(0068-331).

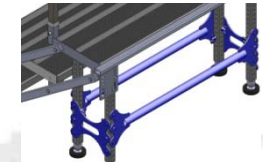

#### Step-02

Insert the legs in to the mounting bracket pegs and use snap pin to connect. Same way to attach the rubber pads.

#### Step-03

Attach the horizontal brace onto the 4 sides of the legs with the provided hardware.

#### Note

The legs and the rubber pads are not included in the kit.
